

Gunn wins Security Ed Challenge

Congratulations to Steve Gunn of Fluor Hanford, winner of the Aug. 18 Security Ed Challenge, "Foreign National Timeline." Gunn won a MiniMag light for correctly answering that the suggested processing time is two weeks to approve a visit by a citizen of Canada to enter a non-Limited or Protected Area.

If you have a challenge you would like Security Ed to consider, send it in an e-mail message to Security Ed at ^Security Ed or send it by plant mail to Security Ed at L4-09.
